

**Hampton Township School District
Poff Elementary School**

December 11, 2020

To Whom It May Concern:

Dora Lukacevic was my student teacher at Poff Elementary School for seven weeks. She taught vocal music classes for kindergarten through fifth-grade students and assisted in instrumental music lessons. During that time, I found her to be an excellent teacher!

Miss Lukacevic developed effective classroom management skills and strategies which always included positive reinforcement. She creatively planned both in-person and virtual lessons using various teaching techniques and technology resources. She also demonstrated her musical skills by singing and playing instruments with the students.

Dora readily accepted my suggestions and constantly worked toward improvement. She completed her student teaching during a most unusual and challenging time in education, but, with a friendly and calm rapport, handled difficult situations with ease.

I enjoyed working with Miss Lukacevic and am happy to serve as a professional reference. I am confident she will be an asset to any school staff.

Sincerely,

Laura Arledge, Music Teacher
Poff Elementary School
